Facts about the Aledo Education Foundation

The Aledo Education Foundation was established by business, civic and community leaders to support the mission of Aledo ISD by supporting innovative educational projects and activities that extend beyond traditional learning and funding.

Mission: *The Aledo ISD Education Foundation Partners with the community to provide private resources to enrich teaching, inspire learning, and maximize innovative opportunities for all students in the Aledo Independent School District.*

Who Benefits?

- Students... as imaginations are sparked
- Teachers... as creative ideas are encouraged and funded
- Businesses... as an inspired workforce, ready to meet the future
- Communities... for the quality of life and economic growth directly related to the quality of education

The Funds

Foundation funds will be used for educational enrichment programs such as innovative teaching grants and programs to enhance student achievement, to recognize exemplary staff involvement and to foster community support and involvement. Grants fund programs or activities that cannot be paid for by the individual school or district's budget. Since the creation of the Aledo Education Foundation in 2013, the foundation has contributed over \$2,250,000 and funded more than 400 innovative grants in Aledo ISD. More than seventy percent of dollars raised are distributed back into the Aledo ISD, the remainder is used for marketing (12%) and the operating budget (16%).
